

## English

We will use a fictional stimulus in our English lessons. We will be reading an exciting adventure story over the next half term. During our English lessons, we will write for a variety of purposes including; descriptions, instructional texts and narratives.

## Maths

The pupils will begin the half term by improving their multiplication skills through a range of reasoning and problem solving activities. After that, we will be developing their knowledge of the inverse with a variety of division based questions and problems. They will learn the formal written methods for both multiplication and division. Additionally, they will learn how to find factors and multiples of given numbers.

## Geography

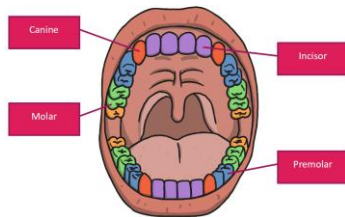

Children will describe and understand key aspects of human and physical geography through studying mountains and volcanoes. They will learn about different types of mountains. What's more, they will improve their atlas skills by finding continents, specific countries, mountain ranges and significant mountains.

## Science

We will be focusing on Teeth and The Digestive System.

- Identify different types of teeth and their purpose.
- Identify parts of the digestive system and their purpose.

# Autumn 2 Year 4

## PSHE

The children will be discussing and considering the difference between fixed and growth mindsets. They will be analysing a variety of feelings and thinking about how they could be managed successfully. The children will also have an anti-bullying workshop this half term.

## RE

The children will continue to be learning about Hinduism. They will consider their journey through life and learn about Dharma. After that, they will be taught about Moksha and reincarnation.

## Art and Design

In Art, we will be looking at landscape art of mountains.

- Compare different artwork.
- Create a mixed-media final piece of artwork.

## Music

Pupils receive one hour of curriculum music teaching per week delivered by a specialist music teacher. This focusses on four main areas of teaching and learning: singing; composing/improvising; performing and listening.

Pupils in year 4 continue to use recorder to develop instrumental playing and reading skills but we also welcome a Warwickshire Music specialist to deliver ukulele lessons.

## PE

Pupils will continue to hone their ball skills with Go4Goals. In their other P.E. lesson, the children will practice and develop their gymnastics skills through a range of movements and balances in pairs and small groups.

## Spanish

My local area, your local area

- Write a Bonfire Night poem using colours
- Explore what shops look like in Spain
- Learn to ask where something is
- Recognise names of places in a town

## Computing

Audio Production

- Identify input and outputs sources
- Plan, create and evaluate podcasts.
